

RR
REDTHUNDER
MADE IN ITALY

The Performance Exhaust

For years, RedThunder has cultivated a passion for detail and the pursuit of perfection, creating exhaust systems with an unmistakable blend of sound and performance. Thanks to our R&D team, we deliver high-

quality and distinctive products dedicated to the most demanding enthusiasts.

Each exhaust is meticulously calibrated to offer a sound that ranges from deep, low tones to a more aggressive high-rpm sound.

RedThunder, born from Harley-Davidson® riders for true Harley-Davidson® riders.

The choice for those seeking superior quality and cutting-edge technology.

Velvet Grey

Explore the cutting-edge allure of Velvet Grey, our newest and most refined exhaust finish. This isn't just a color; it's a statement. Velvet Grey exudes modern sophistication, achieved through a meticulous sandblasting treatment that creates a smooth, textured surface with a captivating depth.

NEW

Satin

Go for the Timeless Style of Satin. This enduring finish isn't just about looks; it's a testament to RedThunder's commitment to performance that seamlessly blends with undeniable style.

The last part of code indicates the finish of the product, where:

- ◆ “BBB” stands for Cerakote Black
- ◆ “MMM” stands for Polished
- ◆ “SSS” stands for Satin
- ◆ “III” stands for Velvet Grey

Polished

Elevate your ride beyond chrome with the brilliant shine of Polished. This meticulously crafted finish isn't just about shine - it's a revelation.

Polished reveals the sculpted perfection of your RedThunder Exhaust in a way chrome can't match, offering a dazzling mirror finish that radiates pure elegance.

RedThunder Exhaust Finishes

Boost your Harley-Davidson's performance and personalize your ride in style with RedThunder Exhaust's range of performance-enhancing exhausts.

Each finish - Velvet Grey, Polished, Cerakote Black, and Satin - showcases the impeccable craftsmanship that goes into every RedThunder Exhaust.

Cerakote Black

Indulge in the darkness: The timeless allure of Cerakote Black that transcends the classic black finish, offering unparalleled depth and a ceramic-like resilience thanks to its advanced coating technology.

It perfectly complements the Harley-Davidson legacy, adding a touch of modern edge to a timeless icon.

FXR

Harley Davidson®

Catering to models from 1988, 1340cc 5 speed, featuring forward controls and center pegs, our exhaust systems enhance your ride.

Choose from four finishes to uniquely style your ride.

- ◆ Velvet Grey (HD1009400III) € 1.480
- ◆ Satin (HD1009400SSS) € 1.460
- ◆ Polished (HD1009400MMM) € 1.565
- ◆ Cerakote Black (HD1009400BBB) € 1.565

Exclusive Collab

Unleash the power of your Harley Davidson FXR models from 1988 and up with the FXR RR-P16 Full-system 2:1 exhaust.

This collaboration with PowerPlant from Los Angeles merges two pipes into one, delivering heightened performance and style in one dynamic package.

Sportster

Harley Davidson®

Sportster Harley Davidson® Tailored to fit 2004-2020 models with forward controls and center pegs.
